GMT Chapter 4: The  
Building Architectural  
Design - in the whole  
process. Drawings act as  
the main form of  
communication between  
client, architect and builder.  
It is a way of visualising  
and conceptualising a  
building or space before it  
is built. Teaching pupils to  
read architectural drawings  
will equip them to  
understand and participate  
with their environment.
